

LOD RED HIGH PERFORMANCE DESCALER

An eco-friendly, highly concentrated liquid descaler which rapidly and easily removes lime scale and calcium build up

- Heavy duty and high performance
- Made with a formulation of organic acids which are naturally occurring compounds produced by fermentation of simple sugars
- Removes lime scale and calcium build up from metal surfaces in contact with hot water such as espresso machine water tanks, coffee brewing and other hot water equipment
- Tough on scale and specifically formulated to include compounds that ensure it is safe to use on aluminium, brass and stainless steel
