

BURR CARE FLUID

TAKE GOOD CARE OF WHAT YOU LOVE

CONTENT OF BURR CARE FLUID SET

1x Glass bottle with 30ml Burr Care Fluid (ADINOL White Oil WX 32)

1x Soft cotton cloth (natural cotton, black)

1x Brush "Bürstle #5" (natural wood, stainless steel bristles)

INSTRUCTIONS

Apply a small amount of fluid to the cloth and rub onto the intended steel surface. Use our "Bürstle #5" brush to clean the steel surface and remove oxidative residue. Wipe away any excess with the cotton cloth. For maximum effect, only use on a dry steel surface.

CAUTION! Do not use the Burr Care Fluid and "Bürstle #5" on any wooden parts! Please use only as described here and keep out of reach of children!
